

Music 116–Assignment #7

(page 1 of 2)

Name: _____

Follow the instructions carefully. This should be a very straightforward assignment!

PART ONE: Write root-position *major* triads, using each given pitch as the root.

PART TWO: Write root-position *minor* triads, using each given pitch as the root.

PART THREE: Write root-position *diminished* triads, using each given pitch as the root.

PART FOUR: Finally, write root-position *augmented* triads, using each given pitch as the root.
